

Here goes my introduction...

I've decided to pack up my bags and say goodbye to third-nation conditions, for a world of better exchange rates, ocean living, confined spaces, spring cleaning and towel folding. 🧑🏻

My name is Tyler Carnie, I am 23 years old, 181cm in height, and i'm just ANOTHER Saffa 🇿🇦 in Antibes. HOWEVER, before you decide to form a preconceived perception of me based on the fact that I am South African, don't. Because;

I am a confident, hardworking, strategic thinking young lady in all aspects of my life. I am going on a mission to prove myself within the yachting industry. I will take on any challenge that presents itself my way.

Upon recently finishing an honours degree, I have successfully acquired 4 years of experience in hospitality and service. I have also been singing and playing guitar at countless events from a young age.

Growing up, I frequently spent time on boats either scuba-diving or deep-sea fishing. The ocean has always been where I feel most alive 🧘🏻.

Therefore, I am seeking a position as a junior stewardess/deckhand on board either a private/charter yacht. A permanent position would be ideal, but I am willing to work on a seasonal bases.

I have all the relevant up to date certifications including; a Seafarers Medical, STCW 10, PB Level II, PADI Advanced Scuba Diving License and Lifeguarding Certificate.

So, if you are willing to take a chance on me, I promise I will make it worth your while. ✓

my CV is available upon request:
